Retaliation Concerns and Request for Notice to Accused

Based on the information provided by the complainant, the PM is concerned about retaliation against the complainant. We request that once the accused is made aware of this complaint that they be admonished in writing by their commanding officer(s) about retaliating against the Complainant, or from having others do so.

I appreciate your prompt attention to this matter. Please acknowledge receipt of this complaint and provide the PM with a PGB #. Please contact John A Simms or Nina S Ambrose if you have any questions regarding this complaint.

Sincerely,

Barry Zuckercorn
